Docket Text:

ENDORSED ORDER granting [314] Motion for Determination of Certain Claims. I have reviewed Receiver's Motion, the record, the relevant legal authorities, and the arguments made by Receiver's Counsel at the Motion Hearing on January 11, 2016.

It is ORDERED and ADJUDGED that Receiver's [314] Motion for Determination of Certain Claims is GRANTED. After considering Receiver's Omnibus Report and Motion, and his [317] [318] supplements thereafter, this Court adopts Receiver's position regarding investor loss calculations and the disputed claims described in his Motion.

In particular, the Court determines that the permitted amount for any objecting investor's claim set forth in Receiver's reports and supplemental materials is limited to the total dollar amount of his or her monetary investment into Defendants, consistent with the specific Defendants' fraud set forth in the SECs Complaint. The Court also adopts Receiver's positions on the disputed claims as set forth in his [314] Report and [317] [318] supplemental materials--namely, that claims or portions of claims relating to SSH2 losses should be denied. Signed by Judge Marcia G. Cooke on 1/11/2017. (yli)
